

MALU

NAIVASHA KENYA

Four-poster beds, feather quilts, log fires & scented baths...
Choose a romantic cottage or a large family villa or,
for those with a taste for adventure, the unique timber tree house.

Malu -
ancient indigenous
forest of red cedar, olive,
fig and acacia, high above
Lake Naivasha.

Space & tranquility as you
roam & ride along the
endless tracks & streams
by foot, horse
or mountain bike.

Hot springs feed the
plunge pool, built into the
Mahindu river
amongst overhanging
figs and vines.

Enjoy Malu's acclaimed
cuisine made with our
farm vegetables,
jersey milk &
free range eggs.
